| <p>1. Under separate cover attachment we are forwarding to you the resulting totals of a machine run made in response to UNFAVOR's request while visiting Headquarters for statistics on the number of Soviet travellers to Free World countries during the years 1964, 1965, and 1966 to present.</p> <p>2. These figures, however, are not necessarily an accurate reflection of the scope of Soviet foreign travel, since they encompass only the number of official Soviet travellers participating in the conferences specified in the accompanying list; complete totals for both official and unofficial Soviet visits to Free World countries apparently are unavailable.</p> <p>3.
